AIM HIGH  
REACH THE SKY

## SIGN UP for our 3 month RESULTS COACHING PROGRAM

---

Based on a premium coaching model designed exclusively for qualified and talented achievers who are committed to bigger success & lasting happiness in life.

### Program Key Features:

- 1 hour complimentary discovery session to reflect on your strengths, priorities, goals and challenges
- 9 "in the moment" coaching session to track your progress and discuss anything else that seems urgent/important/ troubling
- Monthly Mentoring session with Influencers best in the industry to guide you on your career decisions.
- Meet a Peer opportunity to connect with like-minded who will be accountable to track your progress.
- Free access to paid online tutorials, reading materials, E-books, all relevant to your area of interest
- Goals trackers, self-development plan, written assignments and other tools to support your goal.
- 24/7 Email support
- Complimentary Refresher session after one month of completion of the program to check RESULTS.

## Program Schedule:

**Month 1** DISCOVER who you are and what really matters to you

**Month 2** REFLECT on learnings from the past and overcome limiting beliefs

**Month 3** Design your goals & plan of action and craft supportive habits to climb your way to success.

(\*each month will have 3 coaching session each.)

## Is this Program for you ?

If you are someone who seeks more from life, is ambitious, is constantly aiming for personal development, committed to self-growth, and seeks greater success and happiness in life but,

- Is unable to achieve personal and professional goals due to internal and external challenges.
- Wants more clarity on what success and happiness means to you
- Wants to make quicker and smarter decisions in professional and personal life

Then this program is for you. With a fresh perspective to life, action plan to achieve career goals and clarity on priorities, this program is a stage that will set you up for success!
